ORNATE

LUXURY BRITISH AND GERMAN KITCHENS

Welcome to Ornate

Ornate Kitchens, founded by Sam, Oz, and Ziggy, brings together years of industry expertise to offer exceptional modern and traditional kitchens across Tunbridge Wells and the South East. We specialise in contemporary German and British designs, bespoke in-frame solutions and handcrafted shaker styles.

In addition to kitchens, we supply a full range of appliances, taps, and sinks from leading brands like Quooker, AEG, Neff, Bora, and Blanco. Whether you need integrated wine coolers, boiling taps, or coffee machines, we have the solutions to enhance your kitchen. At Ornate, we focus on creating lasting, beautiful spaces tailored to your unique needs.

Kitchens

At Ornate, we bring your dream kitchen to life, whether you desire modern simplicity or classic elegance.

Our modern kitchens feature clean lines, handleless doors and innovative materials like smoked glass and concrete. These kitchens blend precision engineering with urban chic.

Our traditional kitchens are built with classic joinery techniques. These traditional shaker kitchens offer durability and sophistication, with woodgrain textures and flawless finishes.

Our bespoke in-frame kitchens are handmade in Kent. These bespoke kitchens offer unique, luxurious features such as hand-painted finishes, oak dovetail drawers and custom storage solutions.

Why Choose Ornate?

At Ornate Kitchens, we deliver a personalised design and installation experience with attention to detail and a commitment to exceptional results. Here's how Ornate ensure that your vision is transformed into a stunning reality:

Our team has extensive knowledge in interior design and construction.

We select only top-quality materials and trusted suppliers.

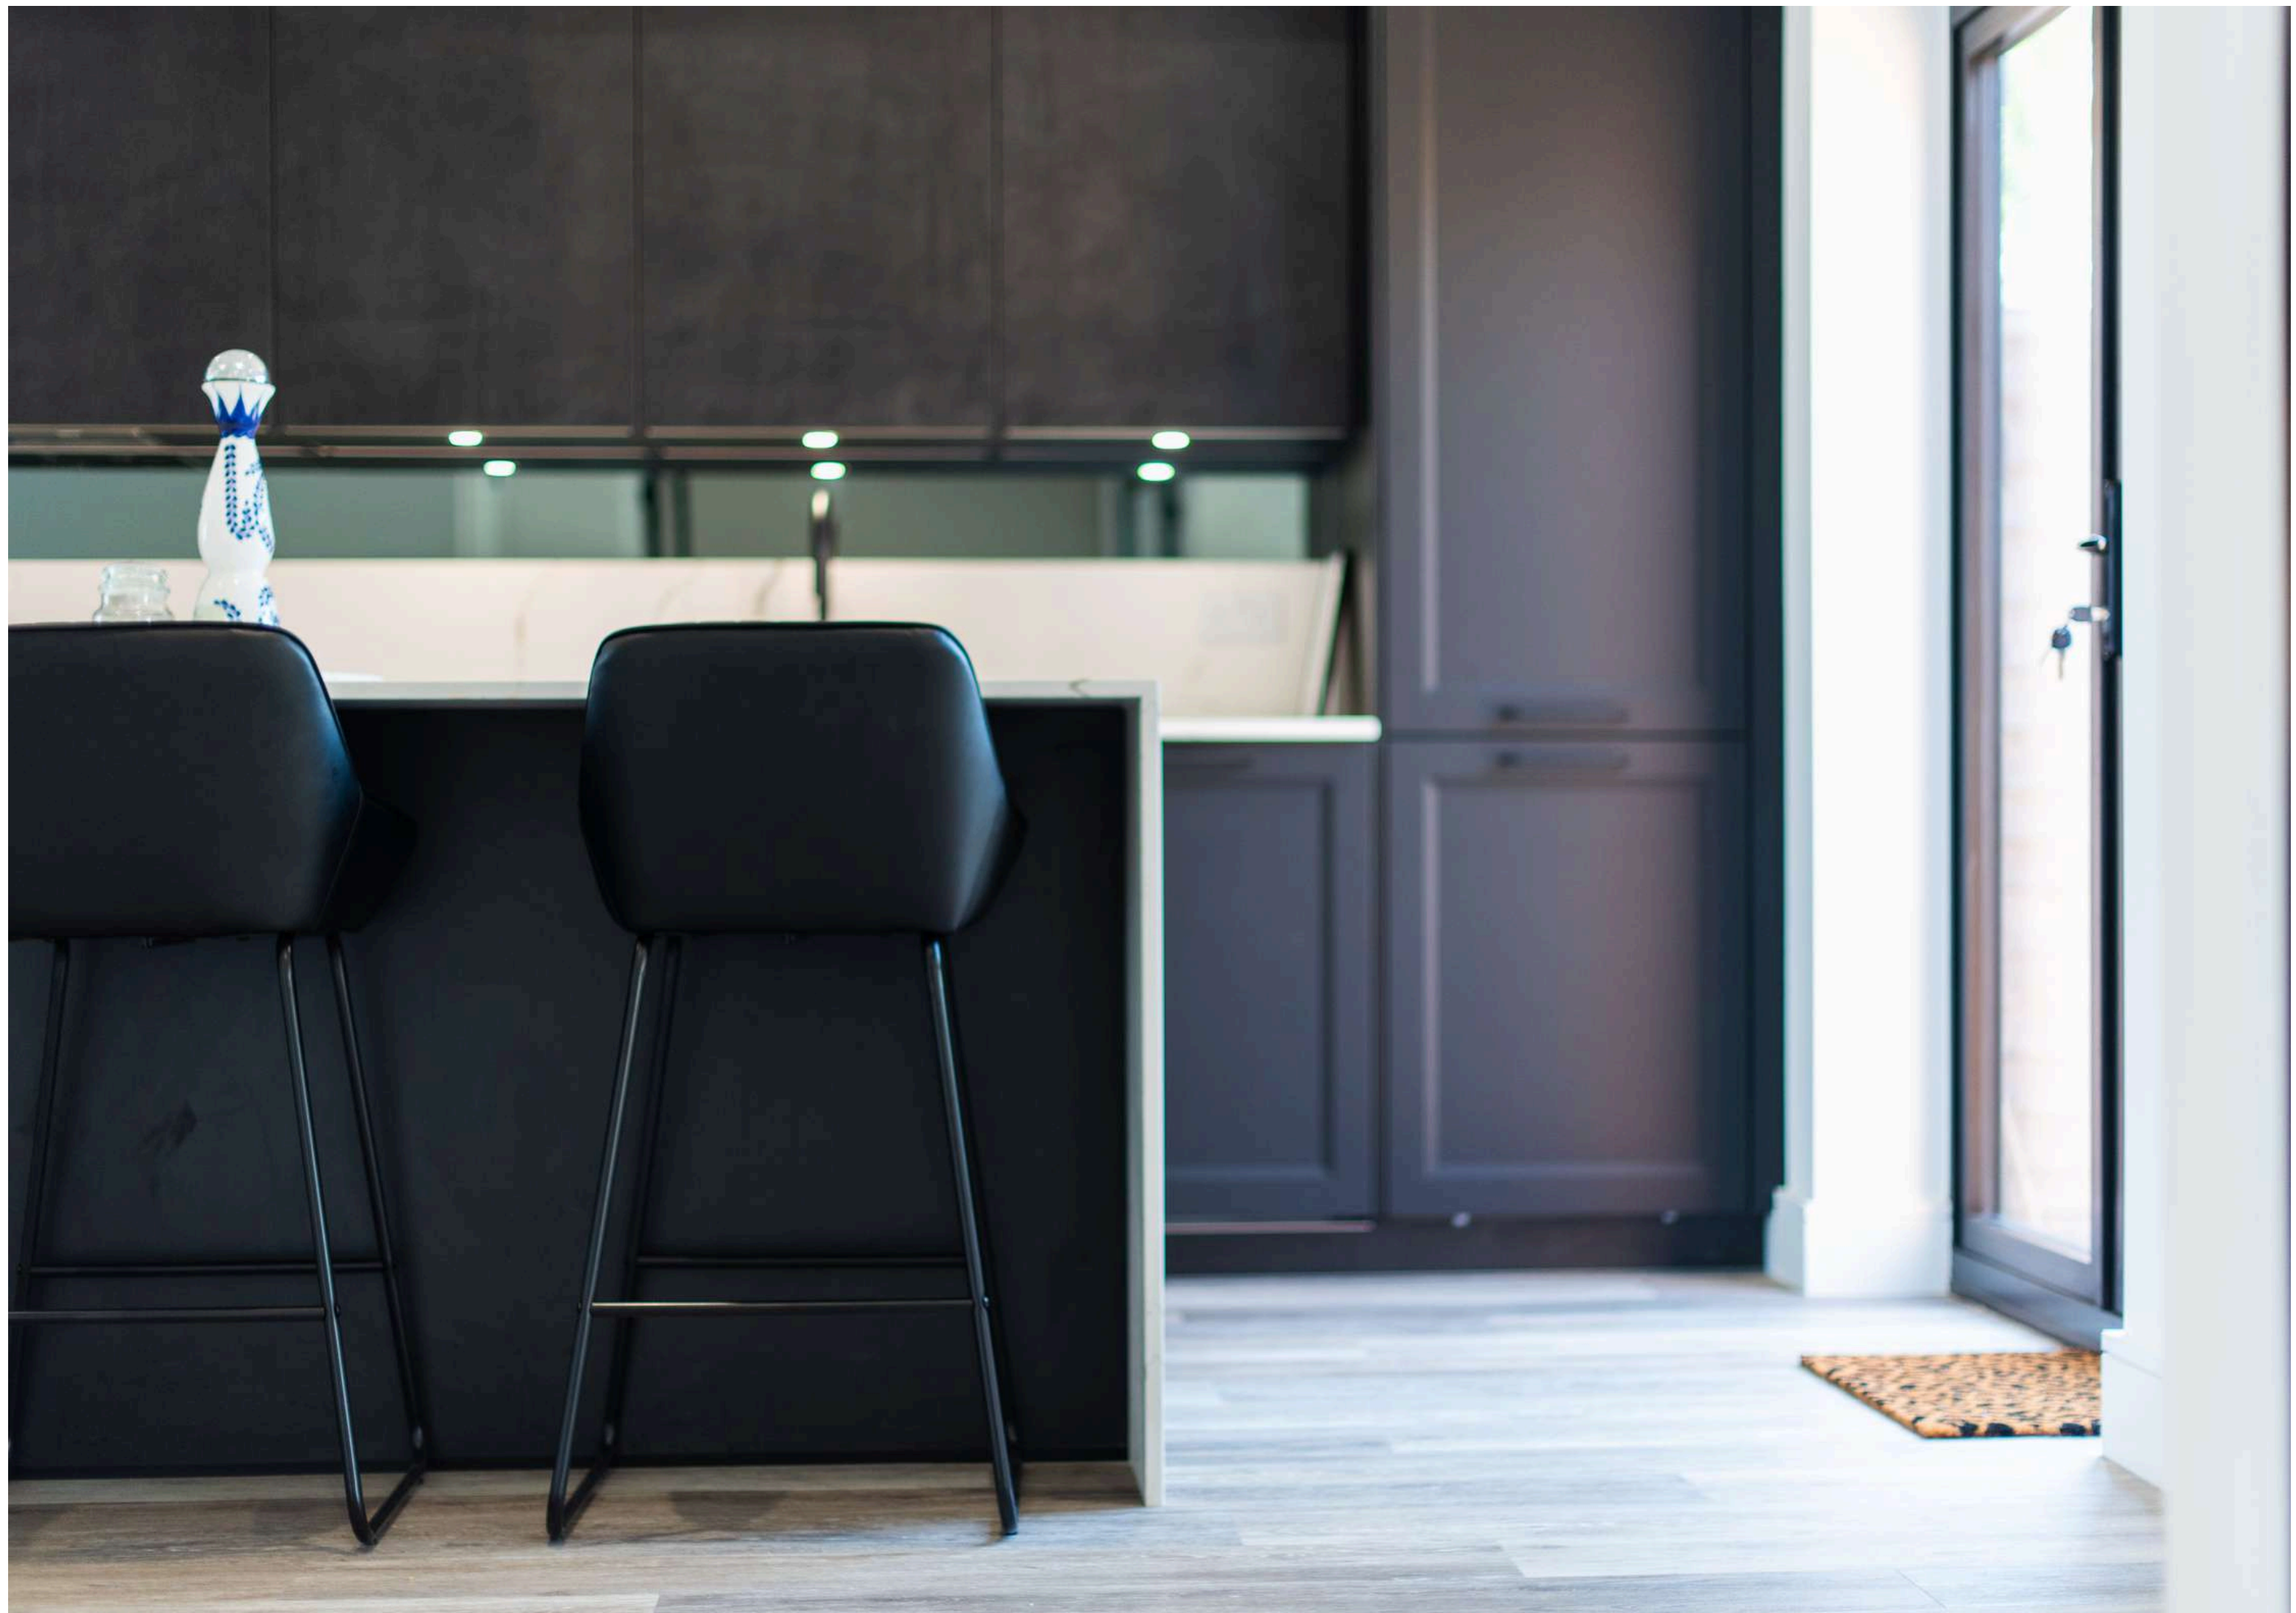

We offer a full-service approach, managing everything from design to installation.

You'll deal with a single company rather than juggling multiple contractors.

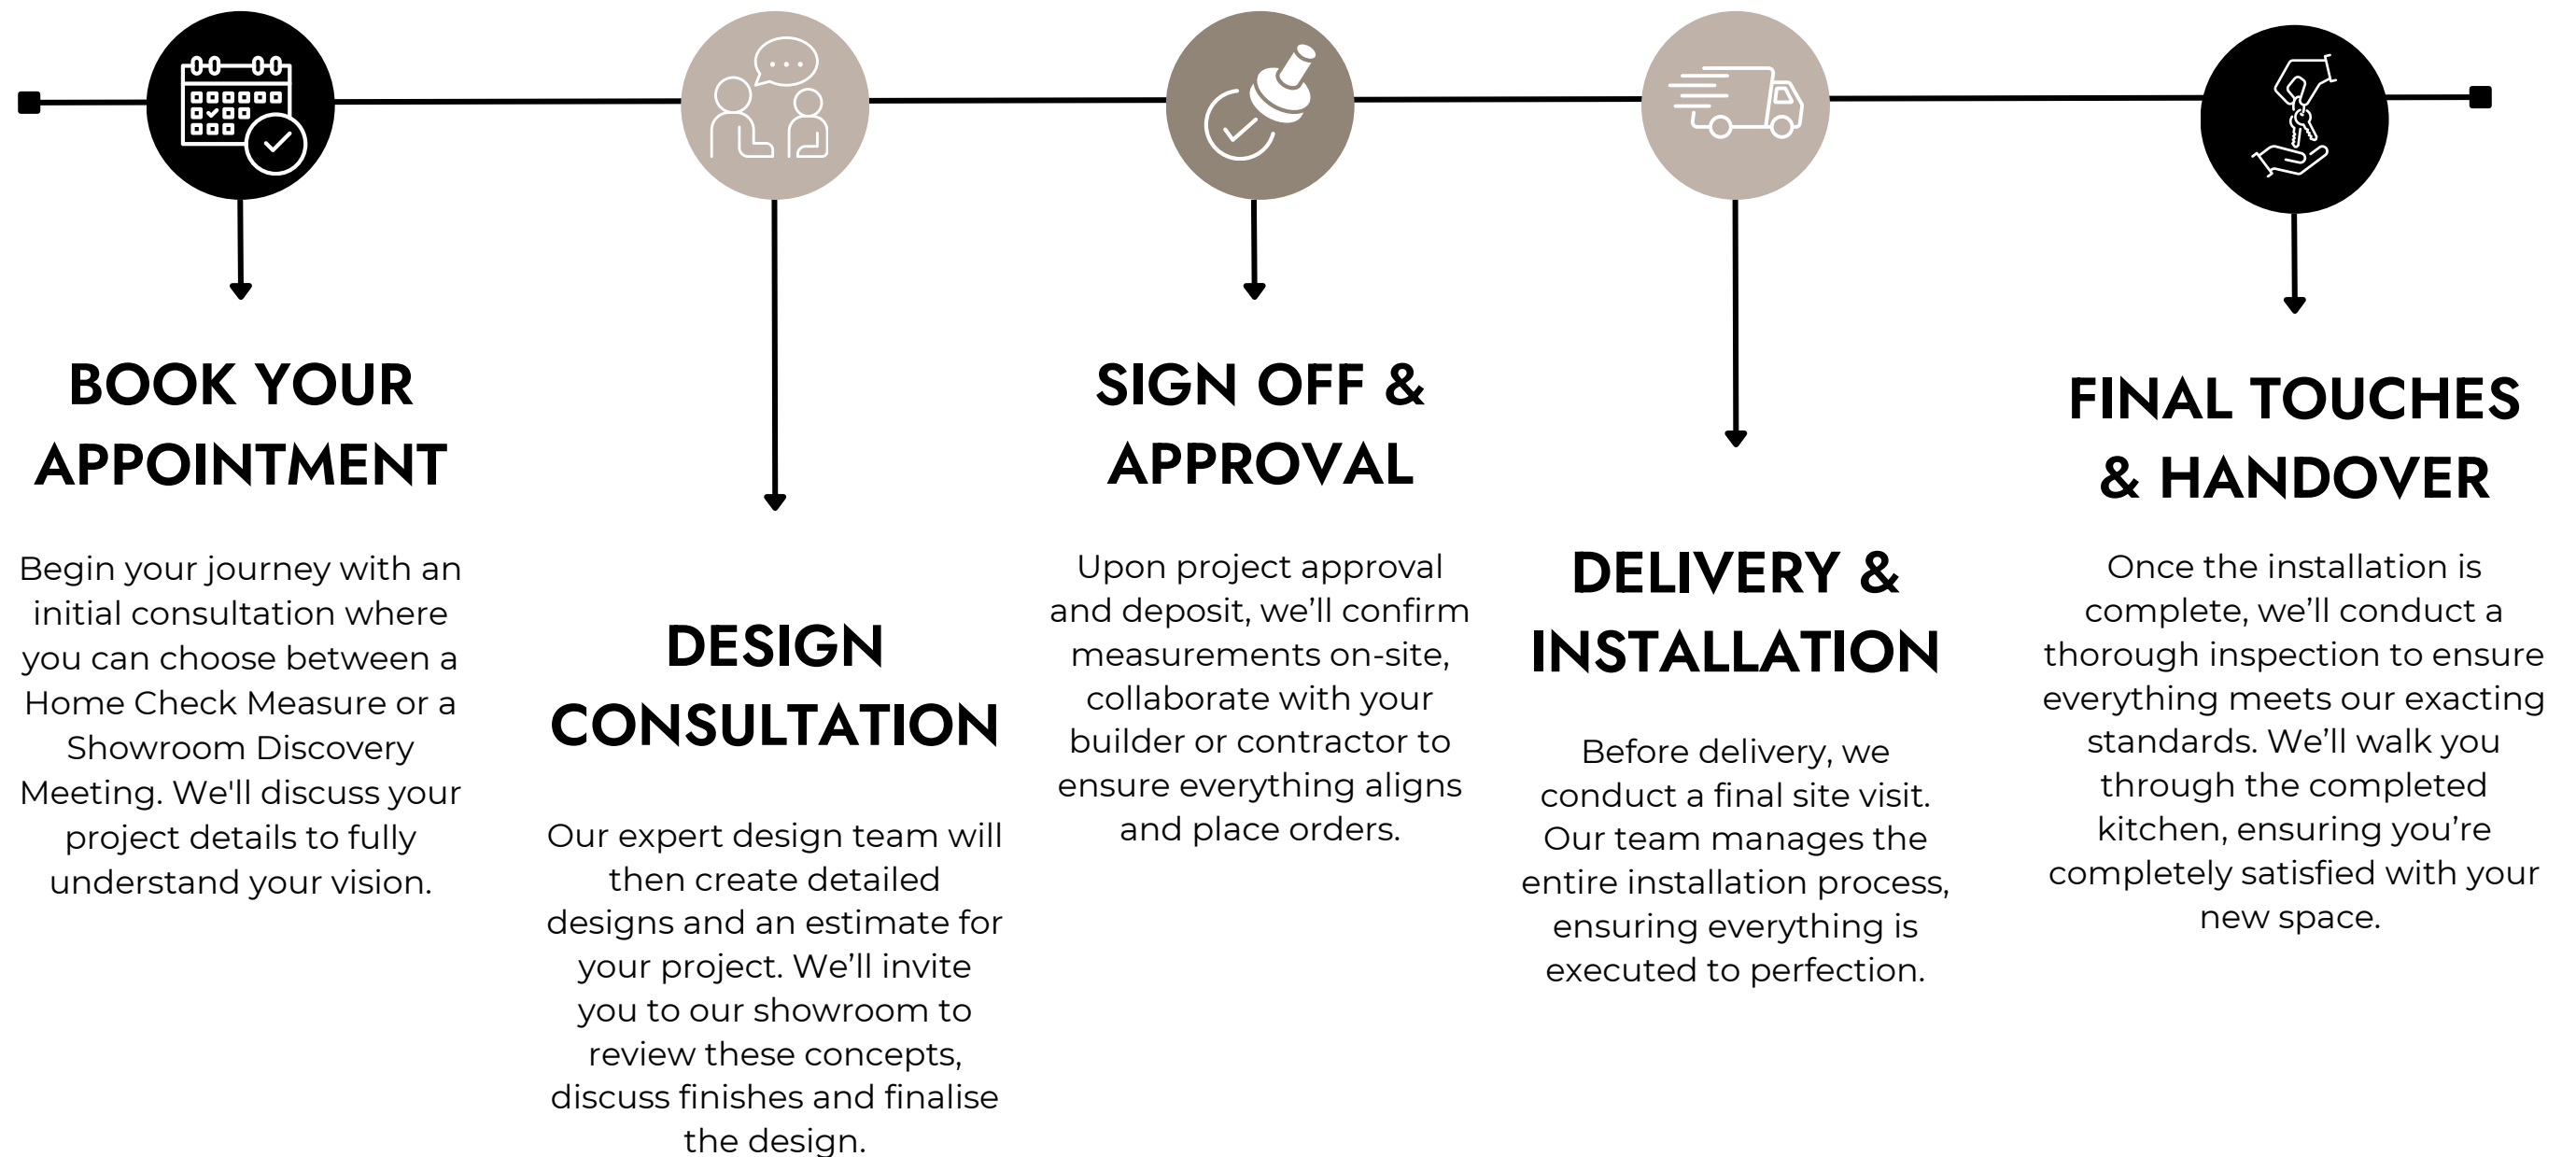

Our relationships with reliable tradespeople guarantee a high standard of workmanship.

Your Design Journey

With Ornate Kitchens, you're not just getting a kitchen; you're embarking on a design journey that ensures every detail reflects your personal taste and lifestyle. From the initial consultation to the final installation, our step-by-step process is designed to deliver a kitchen that is both exquisite and unique to you.

The Complete Turnkey Service

At Ornate, we offer a complete turnkey service that covers every stage of your renovation, from initial design and precise measurements to sourcing, ordering and expert installation.

With everything handled in-house, there's no need to juggle multiple contractors or middlemen. You'll have one dedicated team guiding your project from start to finish, ensuring clear communication and a flawless finish.

While we're known for our kitchens and luxury wardrobes, our expertise extends across the entire home, including custom media units and living room storage to elegant hallway cabinetry, home offices and bespoke bedroom furniture. Every detail is tailored to your style and space, combining functionality with refined design.

Tru-Handleless German Kitchen

Sevenoaks

Overview

This kitchen features matt graphite doors, Dekton Somani Worktops with shark nose edging and an elegant breakfast bar. The sophisticated, black cabinetry integrates premium appliances and a thoughtful layout maximises space and flow, ensuring every corner is utilised to its full potential.

Details

The most stunning part of this design is the chic, matte black cabinetry which provides a contemporary feel. Miele appliances are expertly concealed, maintaining clean lines and an uncluttered aesthetic. The ingenious design includes pull-out pantry shelves, providing ample storage space and easy access for our clients ensuring everything they need is within arm's reach.

White & Walnut Kitchen

Tunbridge Wells

Overview

A stunning contemporary white & walnut shaker kitchen completed for our Tunbridge Wells based client. This kitchen has beautiful quartz countertops, black appliances, a new utility area, and a stunning walnut veneer kitchen island.

Details

Made entirely in Britain, the Inframe kitchen cabinet design is precise and elegant. Providing a clean, contemporary foundation the choice of Little Greene Loft White paint on the cabinets elevates the kitchen's sophistication. Subtle accents, such as black butt hinges and hardware, add a touch of contrast and modernity to the classic cabinetry.

Bright Shaker Kitchen

Woodburn

Overview

This shaker kitchen showcases traditional cloth-painted doors paired with Caesarstone Riverlet quartz worktops featuring striking waterfall edges and a full-height splashback. The design integrates premium appliances and a bespoke solid oak dining table with a whitewashed finish.

Details

The standout details include the elegant Belfast sink with a gold Quooker tap and a bespoke pantry cupboard with integrated lighting and an oak spice rack. Additional features such as an open-end bookcase nook and a low dining table crafted by the Ornate team enhance the kitchen's functionality and charm.

Sophisticated Family Friendly Kitchen

Streatham

Overview

This beautifully crafted kitchen is the centrepiece of a new family home in Streatham, designed to offer both elegance and everyday practicality. It brings together timeless style, high-quality materials, and thoughtful details to create a space that's as functional as it is visually striking.

Details

The kitchen features slim shaker cabinetry painted in a warm, neutral tone that enhances the room's light and welcoming feel. Marble-effect porcelain worktops provide a durable yet refined surface, with the island's layered design adding visual depth and character. Gold accents throughout—including a statement tap and brass hardware—introduce a cohesive, luxurious touch. Integrated appliances are neatly concealed to maintain clean lines and ensure the space works seamlessly for a busy family lifestyle.

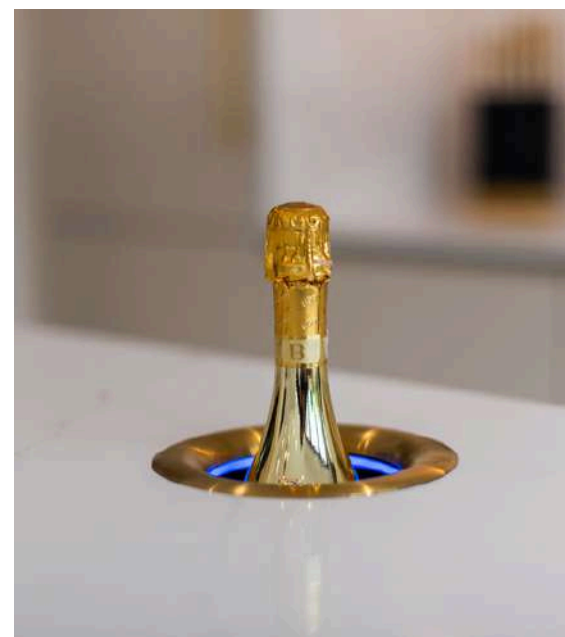

Sophisticated Beige German Handleless Kitchen

Tonbridge

Overview

The most elegant aspect of this kitchen design is the sleek, handleless cabinetry in a stylish beige hue, adding a refined and minimalist feel. The centrepiece is a stunning marble island featuring an integrated induction cooktop and an exquisite gold tap. This island is a focal point whilst offering ample space for all the client's cooking needs.

Details

Strategically placed details, including a built-in knife block and Kaelo wine holder are key in this kitchen. A tall black glass display cabinet provides ample storage space, ensuring that the kitchen maintains the neatly organised and sleek look. We used Cimstone Calacatta Magnifico quartz for the worktops, adding a touch of elegance and quality.

German Handleless Kitchen

Crowborough

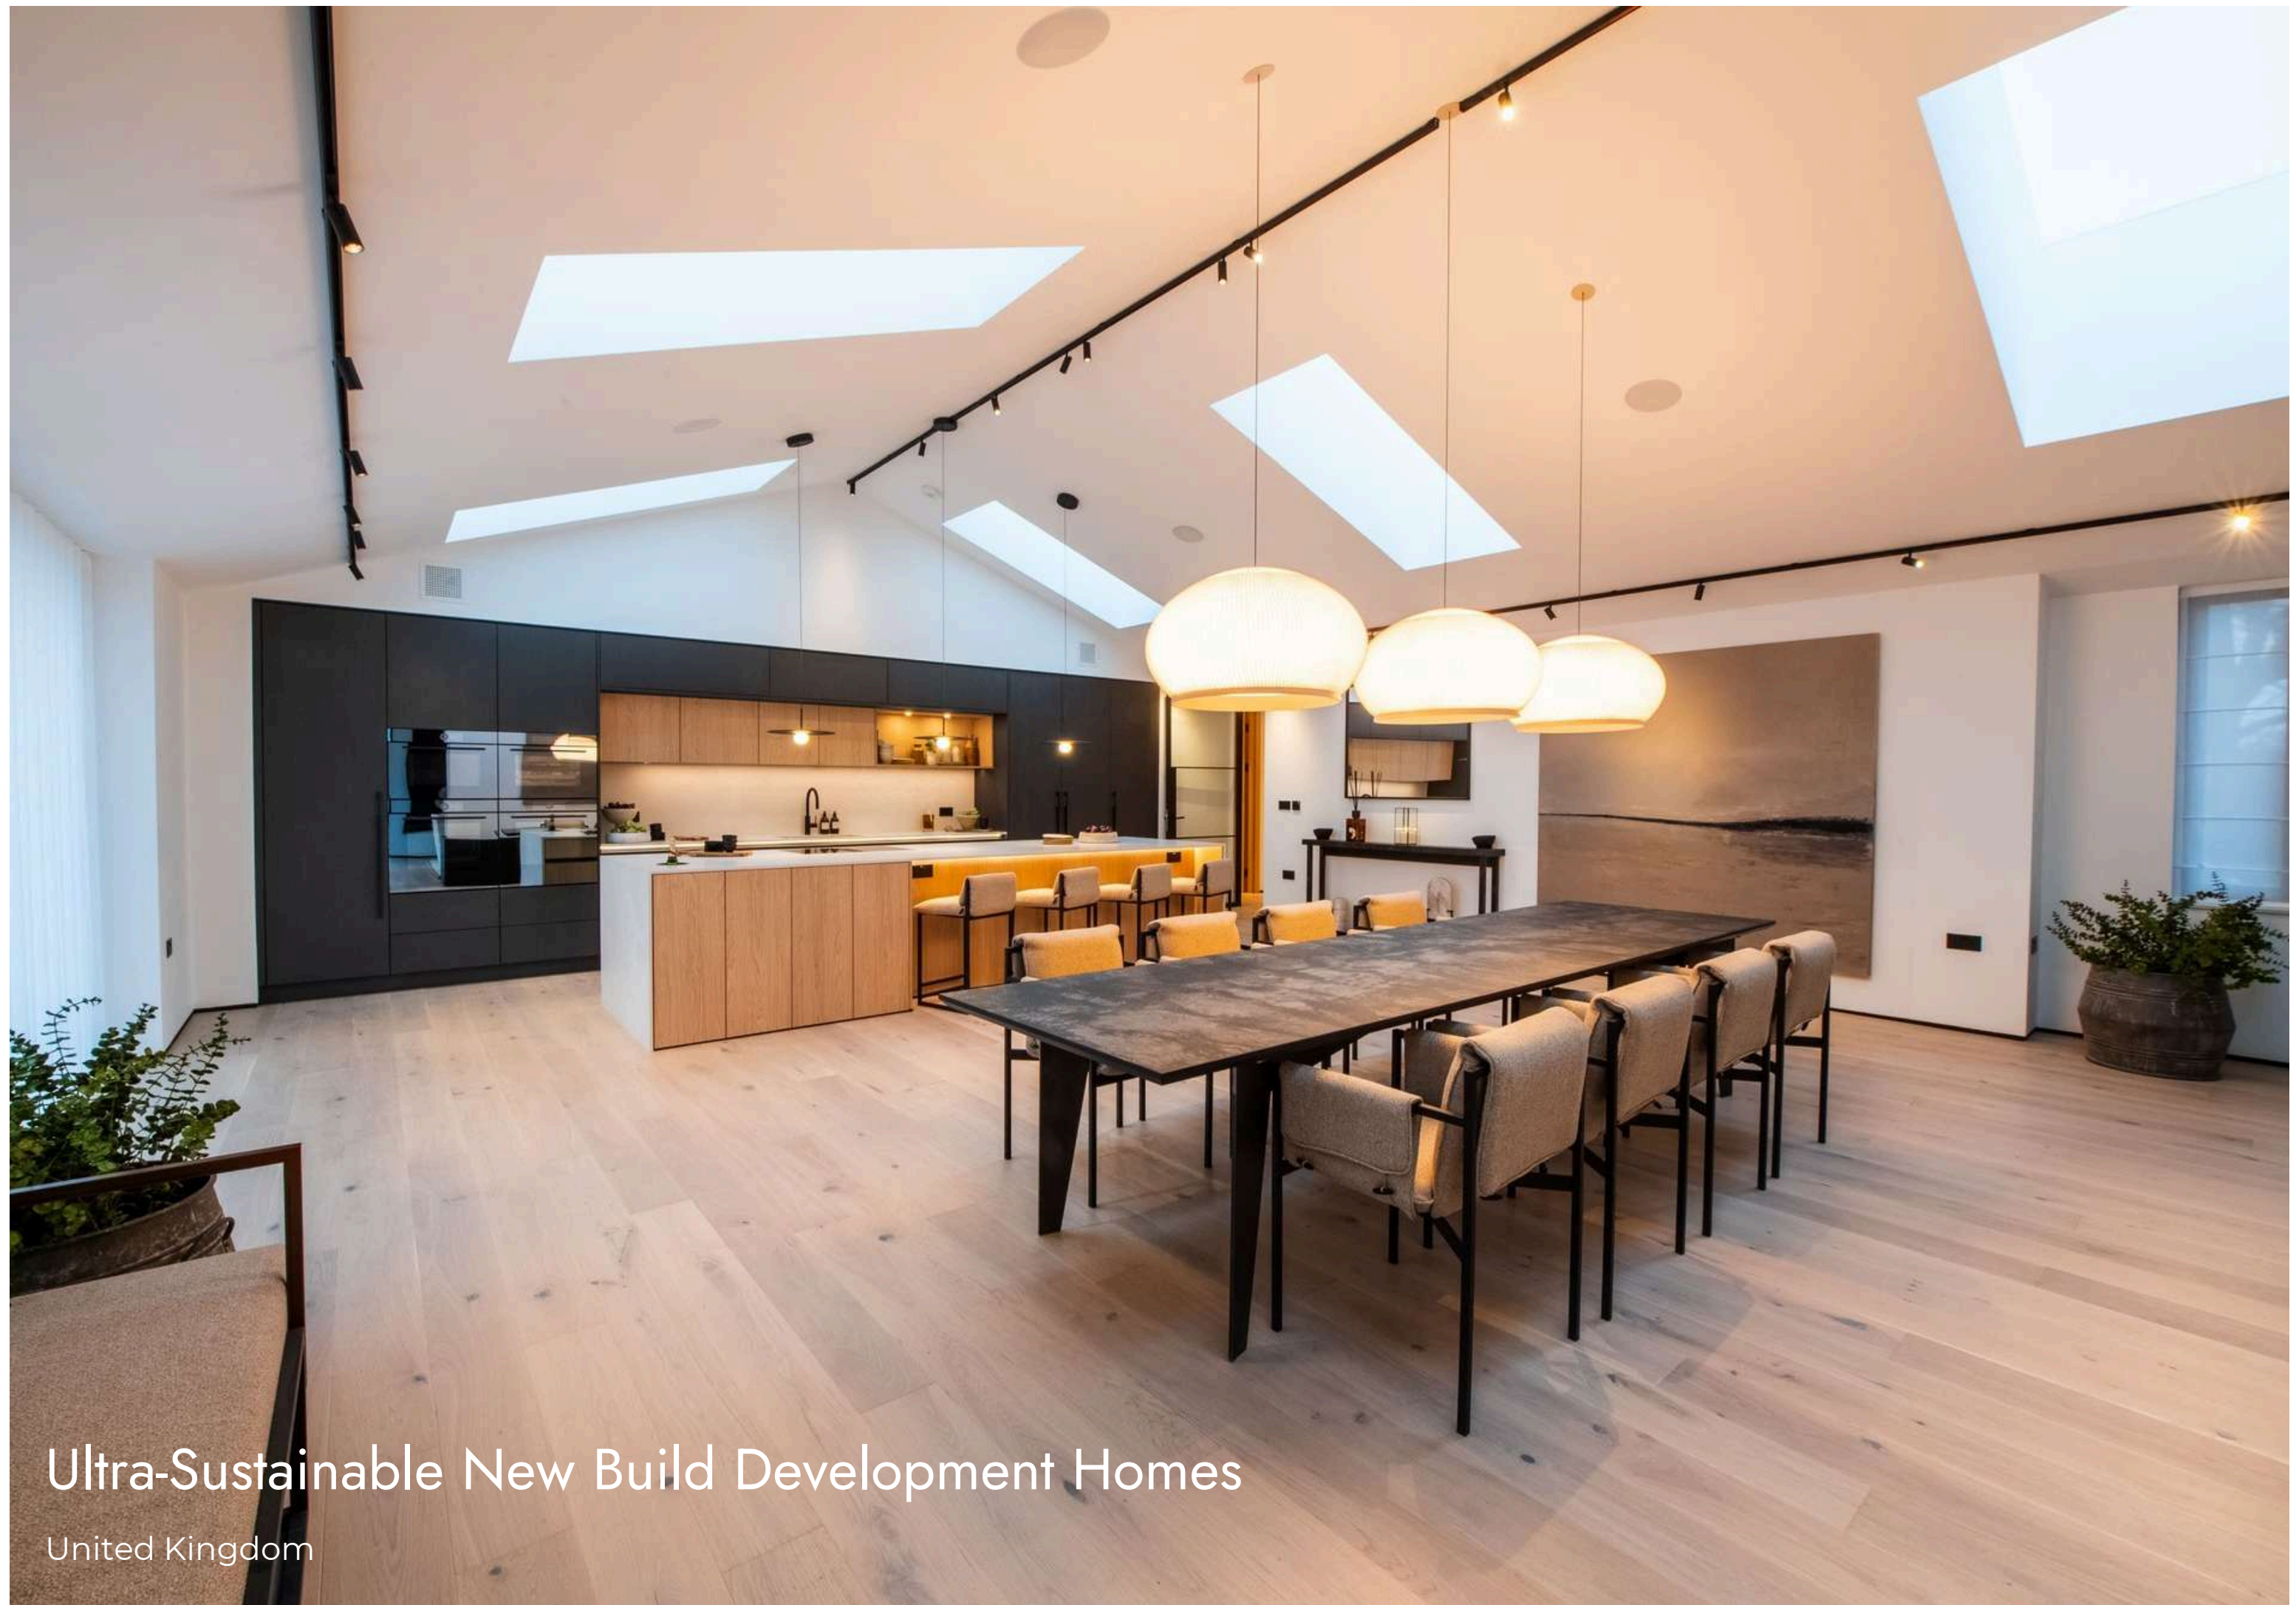

Overview

This German handleless kitchen with bespoke shelving showcases sleek matte black cabinetry and integrated top-of-the-line appliances. This design is the perfect blend of form and function, with every inch of storage thoughtfully concealed behind elegant doors, maintaining a clean, streamlined look.

Details

The most stylish aspects of this design are the sophisticated matt lacquer sand island and the sleek matte black cabinetry, which is in striking contrast to the marble on the island, creating a bold yet harmonious aesthetic. Integrated within the cabinets are premium appliances from AEG that blend into the design, ensuring that the kitchen remains as practical as it is beautiful.

Ultra-Sustainable New Build Development Homes

United Kingdom

Overview

Ornate collaborated with Q New Homes to deliver high-end, ultra-sustainable interiors for a nine-home development, meeting the RIBA Climate Challenge 2030.

Details

The project featured sleek German handleless kitchens with premium finishes, bespoke cabinetry in TV and boot rooms, and elegantly crafted wardrobes. By combining luxury with sustainability, Ornate ensured a seamless, future-proof design that enhanced both functionality and aesthetic appeal.

Bespoke Kitchens for a Stunning New Development

United Kingdom

Overview

This bespoke in-frame kitchen is one of four designed as part of a striking new build, combining sophisticated design with family-friendly practicality. With its contrasting colour palette and timeless detailing, the kitchen delivers a seamless blend of elegance, function and durability.

Details

The cabinetry creates a dramatic yet refined backdrop, enhanced by a high-end in-frame design. A Silestone Miami White worktop adds contrast and a sleek, contemporary feel, while a raised breakfast bar introduces a social, informal space for dining and gathering. Discreet LED lighting has been integrated to highlight surfaces and bring warmth to the overall atmosphere, making the kitchen inviting at any hour. Practical features ensure day-to-day convenience without compromising on style.

German Kitchen with Lacquered Doors

Blackheath

Overview

Located in Blackheath, this bespoke German kitchen was part of a full home renovation, designed in collaboration with a trusted builder who frequently partners with Ornate. The result is a sophisticated, modern space that balances elegance with everyday practicality, tailored to meet the needs of a busy family lifestyle.

Details

Lacquered off-white cabinetry is paired with rich dark oak accents to create a warm, refined contrast, while a sleek Porcelain worktop anchors the design. A floating breakfast bar, supported by a concealed frame, adds a light architectural touch and enhances the room's open feel. Integrated lighting highlights textures and materials, enriching the visual depth of the space.

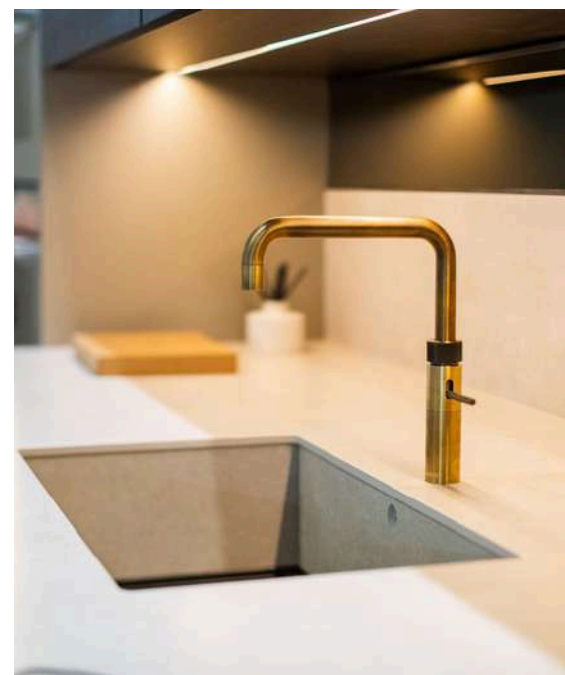

German Kitchen with Black Walnut and Metallic Accents

London

Overview

This striking kitchen pairs the richness of natural black walnut with the sleek sophistication of metallic finishes, resulting in a space that is both luxurious and highly functional. With a strong focus on craftsmanship and detail, the design achieves a perfect balance of modern elegance and timeless appeal.

Details

At the centre of the kitchen is a striking island in Porcelain Xtone Bottega Caliza. Rich black walnut cabinetry is paired with metallic acrylic glass Citrine doors, creating a refined contrast of warmth and sheen. Dark brass hardware adds depth, while integrated appliances ensure both style and performance. Bespoke Italian wardrobes along the back wall enhance storage, complemented by a custom dressing table that adds versatility and a personal touch.
